

## STEPS TO HOSTING A SUCCESSFUL FOOD DRIVE

### 1. REGISTER YOUR FOOD DRIVE.

When you [register](#) your food drive, you can choose from our boxes or bags for collection. Registering in advance will also help with scheduling a pick up in advance if you anticipate a drive too large to pack into your personal vehicle to deliver.

### 2. PICK YOUR KREWE & SET THE DATE!

Get a team of family, friends, neighbors, or co-workers to help you organize and execute your drive. Then pick a start and end date that works best for your team (we suggest making your drive at least one week long and sending out reminders before and during your drive).

### 3. GATHER YOUR SUPPLIES.

Every drive is different. You can use whatever you'd like - plastic bins, ask friends to bring you their empty Amazon boxes (hey, they have them!), purchase large boxes to decorate, or pick up collection bags or boxes from us (we provide these too, see registration link above).

### 4. GET THE WORD OUT ABOUT YOUR DRIVE.

Use our toolkit below or create your own flyers and messaging to let everyone know how they can help with your food drive through flyers, emails, and social media.

### 5. START YOUR DRIVE AND GET COLLECTING!

Start your food drive and begin collecting your own and other people's donations. 500 cans/items of food is a great goal! As you start collecting be sure to take lots of pictures to send to us after your drive.

Tip: Offer an incentive to help reach your goal. Challenge another neighborhood, business, or sports team to see who can bring in more pounds (we will weigh the donations!). Offer a discount at your place of business. Offer a reward like a pizza party, jeans day, or prize drawing for bringing in donations.

### 6. DELIVER THE FOOD.

Once your food has been collected and the end date has passed, drop off your donations Monday, Tuesday, or Thursday from 9a-12p or contact our Development Associate to make an appointment outside these hours. Donation too large to deliver? We can pick up too! Contact our Development Associate to get added to our pickup schedule.

### 7. THANK YOUR TEAM!

Be sure to thank everyone who took part in your food drive and send them a thank you email/flyer. A simple thank you can go a long way!

### 8. LET US KNOW HOW IT WENT...

We would love to hear your story and see your photos. Email us to let us know how it went!

### 9. QUESTIONS?

Contact us anytime if you have questions or could use some help.
