23RD ANNUAL PALLETS WITH PURPOSE

N O V E M B E R 7 , 2 0 2 5

Our Story

Northshore Food Bank's mission is to ensure that food-insecure individuals and families in St. Tammany Parish have consistent access to basic needs.

Every day, hardworking parents, seniors on fixed incomes, and children face empty pantries and uncertain meals. Northshore Food Bank is here to change that.

Nearly 1 million pounds of food was distributed in 2024 through programs that provide groceries, fresh produce, and kid-friendly meal packs to more than 7,700 individuals. Services also extend beyond the warehouse to reach homebound seniors, cancer patients, and children who rely on school meals but go without on weekends and holidays.

This work is only possible because of a generous and caring community. Volunteers, donors, and partners come together to help ensure that no one in St. Tammany Parish has to face hunger alone.

When neighbors are nourished, so is something deeper: resilience, connection, and the belief that everyone deserves a full plate and a fair chance.

Why Pallets with Purpose Matters

The mission is to end hunger.

Pallets with Purpose: *Shaken not Stirred* isn't just a party. It's a vital fundraiser that helps ensure families across St. Tammany Parish have access to food and support when they need it most.

Just like every James Bond mission, this one needs the right team. Sponsorships play a key role in sustaining programs that reach seniors on fixed incomes, children who go without on weekends, patients undergoing cancer treatment, and families facing tough choices at the grocery store.

By supporting this event, you stand with a community working to make sure no one has to face hunger alone.

*Suit up.
Step in.
Be part of the fight.*
